

World Day Of Prayer Services Set For Friday February 25

Friday, February 25, is World Day of Prayer. All of the Protestant churches in Cameron will join in worship under the supervision of the United Church Women at the Presbyterian Church at 3 p.m.

World Day of Prayer will also be observed with a service at the United Evangelical and Reformed Church Friday at 7:30 p. m. with the following churches participating: Ben Arnold, Burlington Clarkson

and Little River Baptist churches and the Ben Arnold Evangelical and Reformed church.

The public is cordially invited to worship at the special community occasion.

Ladies of the above named churches will conduct the service, and the Rev. Albert Petrich, pastor of the United E & R Church of Ben Arnold, will be the principal speaker.

Now an international event, the

World Day of Prayer dates back to 1887 when a Presbyterian woman in Boston called for a nationwide day of prayer for home missions. In 1929 the idea was adopted in Canada and seven years later, at the request of Christian leaders in other lands, it became a worldwide observance.

The day's services begin as the sun rises on the Tonga Islands and continue around the globe until darkness settles over Alaska twenty

four hours later with the final observance held on St. Lawrence Island.

The service is written each year by a woman or group of women from a different nation, then is adapted and translated into scores of tongues and into Braille. The service this year was prepared by Miss Joregelina Lozada, of Buenos Aires, Argentina, a minister of the Disciples of Christ. One of her country's ecumenical leaders, Miss Lo-

zada is the secretary of religious education of the confederation of Evangelical Churches in Argentina.

Central to the service is the prayer for understanding among all peoples, for the growth of the Christian church around the world and for world peace. It stresses the unity of all Christians though separated by geographical and national boundaries.

With amazing versatility women

leaders in each section of the country have found different ways to bring the day to the attention of their communities. Last year in Richmond, Va., stores and places of business throughout the city cooperated in holding services before or during regular business hours.

In Huntington, West Virginia, a traffic light in the city blinked on caution at noon to halt motorists for a minute of prayer. In the Palm Beaches, Florida, leaders placed

thousands of the Call to Prayer and the Prayer in every conveyance that came into the cities and in scores of other cities services were held in hospitals, on college and university campuses and at special meetings.

Mrs. Miriam Libby Evans, national director of the World Day of Prayer, in announcing plans for 1955 observance said it is hoped that "The sense of personal mission of each one of us who prays

and who gives will be expressed throughout the rest of the year in the many opportunities for service to our churches, to our communities and to the strangers in our communities who wait for our understanding and an invitation of welcome in our churches and our homes. Thus the kingdom of heaven on earth for which we pray comes closer."

Poage Selects Posey For Washington Job

By Ann Karnowski

A once in a lifetime opportunity has been offered twice to James Posey, six-foot three-inch Cameron lad, who has received an appointment in the office of Congressman Bob Poage in Washington, D. C.

James gave much of the credit for landing the job to W. T. Hanes, superintendent of the local schools and his football coach in high school, Leo Jackson.

"The first time I was approached", stated James, "was about last December when Coach Jackson asked me to come to his house. When I got there we went to Mr. Hanes' home, where I was introduced to Congressman Poage. He offered me the position at the time but I was unable to accept then."

James went on to say that the post was filled by Donald Ray Smith of Waco, but became vacant again when Smith re-entered Baylor University. "I was contacted again, and this time, with strong encouragement from Mr. Hanes and Coach Jackson, I agreed to take the position."

James stated he didn't quite know all of the particulars about his new job but most of all he wanted to see "our government in action."

"I'm really interested and want to find out how the government works," James remarked. "I also feel it will help me later on in anything I do. Right at the moment Posey felt that he didn't want to make politics his career although he has always been interested in government. "It's an opportunity to learn something that will help me and most of all I am going for the experience", he said.

The only item bothering Posey was that Washington was so far from home. "I'm afraid I'll get awful lonesome up there" the lanky Cameronite stated.

The farthest he has ever been from home is Albuquerque, New Mexico on vacation. But James explained that he was always with some friends or members of his family when he did leave home for even a week or so. Going away like this will definitely be a new experience.

The nineteen year old Posey, who has been working at McLane Wholesale Company as a laborer since his graduation from Yoe High School in May, 1954, still has an open scholarship at Allen Military Academy in Bryan.

James had made preparations to attend the two-year college when his father suffered a heart attack. "I didn't feel like I could go off to school then" Posey explained. He said, however, that the school authorities notified him that the scholarship, which is in football, would still be open whenever he could return to his studies.

The Cameron school system has been Posey's homeground for an education. While in high school he was outstanding in the school's sports program, lettering two years in football and tennis. Posey played in the tackle position on the football team and was chosen a member of the all-district squad his senior year. He also was a member of the high school tennis senior boys doubles team that won district two consecutive years. James and his tennis partner advanced to the quarter-finals in the regional playoffs his final year.

Another exceptional honor bestowed on Posey while in high school was a Citizenship Award which goes to the top students of

each class each year.

Posey, the son of Mr. and Mrs. Ross Posey of Cameron is an active member of the Baptist church, where he participates and assists in all of the youth programs of the church.

There are two other members in the Posey family besides James. He has an older brother, Ross, who is serving in the U. S. Navy and stationed in California and an older sister, Mrs. Peggy Manley of Pasadena, Texas. Both are married and Ross has one son while Mrs. Manley is the mother of two daughters.

Although the surroundings of Washington, D. C. and a new job will be new to young Posey, working away from home isn't exactly new, he said, for when his father was working with a drilling company he would accompany him during the summer months.

Posey is scheduled to leave via airplane at 1 a. m. Monday, February 28 from Houston and arrive in Washington D. C. at about 7 a. m. This will be his first plane ride too.

Although learning something about our government and gaining experience is Posey's main interest in Washington, his main interest in Central Texas will remain in Belton. James is engaged to Miss Mary Ann Adams of Georgetown who is a freshman at Mary Hardin-Baylor College in Belton. Posey stated that they had not set a date for the wedding.

He again stressed his appreciation to Mr. Poage, Mr. Hanes and Coach Jackson. "It's a great opportunity and I feel it an honor to be selected. I also appreciate all the help my many friends have given me", he stated. He continued, "Mr. Hanes really has been quite a help to me while Coach Jackson was always giving me an encouraging word."

Oil Operations Start To Move Toward Cameron

Oilmen in Milam County are reputedly close-lipped and they have been living up to their reputations this week.

It was reported, however, that one new location has been sited for oil leasing. John Kraker of Tyler, allegedly, will drill the No. 1 H. L. Patillo, 4.5 miles southeast of Cameron, to approximately 1,500 feet.

Location is reported to be 1,000 feet from the northeast line, 1,250 feet from the southeast corner (Sandy Creek) of a 246-acre lease in the Jose Leal Survey.

It was also reported that the deep test of Texas Gulf Sulphur Co. No. 1 Fee, wildcat near Milano, was drilling at 7,268 feet at last report on Tuesday, on a 9,000-foot permit. This is the first deep well drilled in Milam County, with only the drilling depth being released on this well.

An unconfirmed report is that drilling on the S. R. Fuller property, located about eight miles southwest of Cameron will begin again in the near future. Prior to the shutting down of operations reports were out that a shallow sand of gas distillate had been struck in that area.

The Red Cross yearly drive starts March 7. Be sure you are a member of the Red Cross in 1955.

Heart-Warming Home Town Show To Start Friday

See yourself in the movies! Many Cameronites will do just that when they attend the Lions Club Movie at the Cameron Theatre Friday and Saturday February 25 and 26.

Shots of Cameron people, without their knowing the picture was being taken, were made by Lion Cameramen Conn Sutter and Charles Brady during 1954 and the early part of 1955.

One of the most interesting features of the film will be the pictures of the churches in the city, the schools and the school children who are now businessmen, which were made back in 1938.

There will also be pictures of beloved Cameronites who have since passed on, taken in 1938.

The setting is here, the people are you and your neighbors, the movie has all of the heart-warming friendliness termed "stupendous" by the movie industry.

Don't miss it. The movies will begin on Friday, February 25, at 3 p. m. and will start at 2 p. m. the following day.

Admission will be 25 cents for children and 50 cents for adults. All proceeds will be used for the underprivileged children and the Lion sponsored Crippled Childrens Hospital in Kerrville.

Burton Reynolds Former Resident Dies In Killeen

Burton M. Reynolds, 86, a retired farmer and former resident of Cameron for many years who had been making his home near Killeen for the past several months, died Thursday morning.

Funeral services were scheduled at 3 p. m. Friday, February 18 at the Marek-Burns Funeral Chapel with Dr. Mark Magers, pastor of the First Methodist Church in Cameron officiating, with interment in Oak Hill Cemetery.

He is survived by one sister, Mrs. Ruth Ward of Austin; one brother, Malcom Reynolds of Houston; two daughters, Mrs. Otto Hensley and Mrs. Henry Flentge, both of Killeen; eight sons, Arthur, Oswald, Roy and Edwin Reynolds all of Cameron, John Reynolds of Mart Malcom Reynolds of Humble, Norman Reynolds of McLeod and Burton Reynolds, Jr. of Beaumont; 11 grandchildren and two great-grandchildren.

Enlargement of Rockdale Alcoa Plant Slated

The aluminum smelting capacity of Aluminum Company of America in Texas will be enlarged by approximately 65,000 tons annually, it was announced Thursday in a joint statement made by the managers of Alcoa's Works at Rockdale and Point Comfort.

Construction will be started at once to add two new smelting potlines at the Rockdale Works and one additional potline at Point Comfort, together with necessary related facilities at both locations. This will increase the Rockdale capacity by 45,000 tons of primary aluminum annually, and that of Point Comfort by 20,000 tons.

John D. Harper, Alcoa's Rockdale Works Manager, indicated that the new facilities would add

an editorial....

Throughout 1954 the people of Cameron professed a consuming interest in the Cameron Independent schools. The week of March 7 through 12 is Public School Week throughout the nation, during this week the schools will hold open house; accept their hospitality, familiarize yourself with the problems of teachers and students, so that you, as a good citizen can become more competent to safeguard and advance the institution that is so American — the public school.

Our forefathers in their wisdom, recognizing the importance of education in the function and operation of a democracy, established the public school to make education available to all. The people of Texas declared, by expressed terms of the State Constitution, "a general diffusion of knowledge be essential to the preservation of the liberties and rights of the people, it shall be the duty of the Legislature of the State to establish and make suitable provisions for the support and maintenance of an efficient system of public free schools."

The 1854 School Law provided for the first Public School System in Texas. As the years passed our laws were strengthened to make sure that all children of a school age shared in this opportunity for public education. Today the importance of education is not a debatable subject. Our job is to see that children of this generation get the best possible education we can give them.

Joyce Wallace, YHS Senior, Winner of DAR Excellence Pin

Joyce Wallace, a Senior who will graduate from Yoe High School this spring, has been selected by the faculty to receive the Daughters of the American Revolution award.

The faculty chose Joyce from the girls nominated by the Senior class. Mrs. John B. Henderson, DAR press chairman, has announced that the Sarah McCalla Chapter will present to Joyce the General Excellence Pin. The certificate of award will be presented to her at the time of her graduation.

Each year the DAR offers this award to an outstanding senior girl. The student is selected on the basis of dependability, service, leadership, patriotism and scholarship for the four years of high school work.

Joyce, who is the daughter of Mrs. Esther Wallace, 504 West 11th Street, is eighteen years of age. She has made an outstanding record during her years as a student in Yoe High School.

Joyce has been an honor student throughout high school. She has been a member of the Yoe High Band for four years and has won first place in the horn quartet every year. This year she has been a member of the Swing Band and has sung with the Yoe High Chorus.

Joyce served with the annual staff in 1953 and 1954 and during 1954-55 has been on the Chant staff, the school newspaper. She was Junior class secretary and this year is vice-president of the Senior class. Joyce served on the Yoe High Student Council 1951-1952 and was a member of the Future Homemakers of America during 1952 and

1953.

The Red Cross yearly drive starts March 7. Be sure you are a member of the Red Cross in 1955.

JOYCE WALLACE

Jail Closed, Re-opened To City Prisoners

Movie Pass If You Can Pick Oscar Winners

If you can pick the six winners out of the nominees for the movie Oscar award, the Milam Theatre will give you a six month pass to that theatre.

Ballots will be available in the lobby of the theatre starting March 3, with contest ending at 8 p. m. Wednesday, March 30.

With the purchase of every ticket the movie-goer will be entitled to fill out one ballot.

All of the nominees are listed on the ballot.

The selections will be on the Best picture of the year, the best actor, the best actress, the best supporting actor, the best supporting actress, and the best director.

Plans For April City Election Made At Special Council Meeting

City Councilmen unanimously approved the charter commission names up for election after the third and final reading of the resolution at a special meeting in the city hall Wednesday afternoon.

Their regular Tuesday evening meeting was cancelled due to the lack of enough aldermen present to make a quorum.

Main point of business on the agenda Wednesday afternoon was making ready for the April city election, when the public will vote on the people named by the council to write a new city charter and the election of three aldermen to office.

The proposed City Charter will require two individual elections, the election of those to write the charter and an election on the charter, itself.

The three aldermen with expiring terms are Johnny Anders, Robert Weems and Gene Blake.

P. J. Matocha was appointed as presiding election judge. George McGeehee as judge and Mrs. R. W. Bennett and Mrs. John Ryan were named as clerks for the coming city election.

One of the most interesting matters before the council came up after the special meeting was adjourned.

The following letter to the council from Judge Charles C. Smith, Jr., County Judge representing the Commissioners Court, was read:

"You are respectfully advised that at its regular meeting had on Monday, February 14, the Commissioners Court of Milam County, Texas, instructed the Sheriff of Milam County to refuse admittance to City of Cameron prisoners tendered for incarceration in the Milam County Jail commencing on March 1, 1955, and that this instruction shall remain in force and effect until further order of said court."

"By order of the Commissioners Court of Milam County, Texas."

Councilmen mulled the situation over and talked of the possibility of building a new city jail, which would be necessitated upon the enforcement of the Judge's letter.

After the group disbanded three of the county commissioners, out of the four in Milam County, were contacted.

W. W. Markham stated that he had not been present at the last meeting of the commissioners court.

C. S. Raney, Precinct one, of Buckholts, and Byron Neal of Precinct three, of Rockdale, both reported that the city prisoners had been discussed up at the commissioners court when a bill for 90 some-odd dollars was presented them by one of the local hospitals for care of a city prisoner.

They said that it was their understanding that the city officials would meet with the commissioners court to make arrangements to take care of the financial needs of city prisoners over the usual \$1.00 per day paid for their care. Judge Smith could not be contacted for statement.

COUNCIL MEETS WITH

A committee of City Councilmen met with the Commissioners Court when they convened Thursday morning in an effort to iron out city-county difficulties.

Judge Charles C. Smith, Jr. stated that a tentative agreement had been reached in keeping city prisoners in the county jail, as has been the custom in the past.

He logically pointed out that the county could not be responsible for injuries, sickness or other ailments of city prisoners, but that the prisoners would be cared for, as in the past, if the city would accept its responsibility, which it would have to do if the prisoners were kept in a city jail.

When asked if the parking meter situation had been discussed he reported that the matter had been up for discussion, with the county making several requests, but, since the delegation had no authority to see, "Council Story" back page

No Entries Listed in School Board Election Race To Fill 3 Vacancies

Thus far no hats have been tossed into the ring for the School Board election coming up April 5, Leo Fuchs, secretary of the board announced today.

Three school trustees have expiring terms this year, all three having served two or more terms. They are Mrs. Dick Jennings, Frank Reid and Bill Wallace.

All of those desiring to enter the race will file with Leo Fuchs prior to March 26, final date for filing.

Milton F. Brown, Jr., publisher of the Cameron Herald returned to Cameron Tuesday afternoon after an extended business trip.

Cameron Collects \$4,004.36 In MOD; \$9,251.03 Collected In County

Although some few funds are still trickling in the total for Milam County March of Dimes is near completion. Hinton H. Pruett, county chairman reported.

To date the county has received \$9,251.03 in comparison with \$7,092.00 collected last year.

Cameron almost doubled their last years contributions of \$2,200. Collections this year amounted to \$4,004.36.

Throughout the county most communities went over their total for last year, in one of the most successful drives ever held in Milam County.

Contributions from each town and community in the county were

as follows: Cameron \$4,004.36; Rockdale, \$2,674.96; Gause, \$132.25; Milano, \$204.04; Thorndale, \$814.72; Ad Hall \$48.42; Buckholts, \$73.69; Burlington, \$126.69; Baileyville, \$49.54.

Ben Arnold gave \$72.16; Curry, \$10.00 (special); Davilla, \$112.92; Jones Prairie, \$46.04; Marak, \$86.19; Maysfield, \$91.00; Marlow, \$90.97; Sharp, \$269.14; String Prairie, \$2.00 (special); San Gabriel, \$89.86; Tracy, \$7.00 (special); Yarrrelton, \$61.80; and Minerva, \$46.30.

Pruett said that all of the workers and general public cooperated wonderfully well and he expressed his appreciation to all of those who helped make the drive such a success.

Make Plans Now To Attend The TB X-RAY Unit On Feb. 25, 26 & 28

The insidious disease, Tuberculosis, is slowly being whipped by modern new medical knowledge and the mobile T. B. X-ray units throughout the nation, which help to point an accusing finger at the finger at the disease before its victim is in poor health.

This precautionary method of discovering tuberculosis has helped more people to live long and productive lives than any other in the history of the disease.

All of the people of Milam County will be given the privilege of insuring themselves and their families against this killing malady this week.

Yesterday the unit was in Thorndale, with 561 having x-rays made during the half-day period. It will return there today, at the Smith Electric Store from 8:30 a. m. until 1 p. m.

On February 23 and 24 the Unit will be at the Gaithers Motor Company 5:30 p. m. on the 23rd and from 8:30 a. m. until 1 p. m. on the 24th.

Then the x-ray unit will make pany in Rockdale, from 8:30 a. m. its way to Cameron, where it will be stationed at the Helley-Stedman Motor Company February 25, 26 and 28 from 8:30 a. m. until 5:30 p. m. Everyone has been urged to make arrangements to spend the one minute required now, so that Milam will be a safe place in which to live, with TB a thing of the past.

Mrs. Evelyn Young returned to Cameron Monday after a weeks vacation during which she visited Juarez, Mexico.

MILTON F. BROWN, JR. Publisher
PEGGY FLORIDA Editor

Entered in the Postoffice at Cameron, Texas, as mail matter of second class under an act passed by Congress, March 8, 1879.

National Guard Made To Order To Handle Today's Defense Problem

BY Lloyd Albertson

Recently, when President Eisenhower announced that plans calling for the enlargement and strengthening of the nation's armed reserve forces would be a "must" piece of legislation for the new Congress, he was, indirectly perhaps, only making it plain how important the National Guard has become in the country's defense plans.

Because, while he spoke of all the defense components, the fact is, as the National Guard Bureau points out, the Guard is the most active and ready reserve in existence today.

As proof of that, Lt. Col. James B. Deerin, Chief of the GB Information Office, quotes some figures. The National Guard now has almost 400,000 officers and men in active training—over 330,000

in the ground forces — 53,000 in the Air National Guard. They're in more than 5,600 units located in 2,000 cities and towns scattered all over the USA.

These figures may be new to the been the custom in some Continental countries in Europe. They dislike the big expense for one thing. Even more, they dislike the idea of keeping large numbers of young men on duty for years in unproductive and corroding semi-idleness. So the American plan of defense has been built around a relatively small regular Army, Navy and Air Force, plus the National Guard and other reserve components made up of civilian soldiers who do their training in their spare time.

This same plan of defense, it would seem, will work equally as well now in this time of "cold war" with its tensions and armies, as it has in the past. In fact, it would seem to be exactly suited for the "long pull" of a time such as this where there is neither real peace nor an outright state of war. It keeps available a large force of trained men for use if the nation is attacked. And yet it permits a young man to fulfill his military obligations by training in his spare residents of Cameron and vicinity, but they are well aware, nevertheless, of how widespread the National Guard has become. In almost

a hundred homes in this area on one night a week a Guardsman puts on his uniform and reports out to the Army for his two hours training stint.

The Guard unit, in short, has become as much a part of the modern progressive community as its banks, schools, churches, business houses and newspapers.

The reason for this widespread growth of the National Guard is simply this: The Guard, along with other active reserve components, is the way America has of handling its defense problems in peacetime. The American people have never gone in for large standing armies in peacetime — as has been his school or college education — leaving him free to continue or to start his career by getting a job in farming, in industry or in one of the professions.

In short, the National Guard seems almost to be made to order for handling the defense problems of the cold war.

That is why, undoubtedly, that those who make the defense plans in the Pentagon have decided to place even more reliance on it than before. As the NGB's fact sheet points out, the Guard is the only ready reserve force today. If the plans to enlarge and strengthen the reserves recommended by President Eisenhower go through—as they undoubtedly will—the National Guard will be even a better force.

Lampasas Kiwanis Give Program At Local Club Meeting

Members of the Lampasas Kiwanis Club gave the program at the local Kiwanis meeting Thursday in the Milam Coffee Shop.

The four members from Lampasas were introduced by Van D. Gellin, of their club. Others present were W. C. Ratman, Kenneth Kranner and Curtis Bozorth, who directed the program activities.

Four members of the high school club of that city were present and sang a number of solo's and duets for the entertainment of the convened group.

Wiley Loughmiller, local president, officiated during the business session, asking for delegates to attend the charter night program of the newly formed Hamilton club. Those attending as representatives of the local organization were Leland Green III, Dr. John Bryson, Jack Tumlinson and John A. Florida, Jr.

Fred Pool To Be Guest Speaker At C of C Banquet

Fred Pool, assistant general manager of the East Texas Chamber

of Commerce, is planning a light and very entertaining speech at the annual banquet and membership meeting of the Chamber of Commerce.

Rollan Carr, chairman of the arrangements committee, stated that a larger crowd is expected this year than ever before at the banquet which will be held Tuesday, March 8 at 7:30 p. m. at the Simon-George Memorial Hall.

Tickets will be available Monday February 21 by contacting Narvie Caperton, Milton Schiller, A. W. McCullin, Jack DuBois or the Chamber of Commerce office, phone 101.

Mrs. Mees Hostess To 42 Leisure Club

Mrs. Willie Mees acted as hostess to the 42 Leisure Club Thursday afternoon.

During the business session at the beginning of the meeting Mrs. Charles Payne presided. Mrs. W. W. Balhorn read the minutes and Mrs. August Gurecky gave the treasurer's report.

Following the short sessions the ladies played games of 42.

Mrs. John Matyastik and Mrs. Henry McLane tied for high score with Mrs. Pete Bergum winning the 84 prize. Table cuts went to Mrs. Leo Fuchs, Mrs. McLane and Mrs. Balhorn.

Refreshments of coffee and "Party Dessert" topped with whipped

cream were served by the hostess, who was assisted by her daughter Annette and Annette's friend Katherine Pernice.

Their next regular meeting will be on March 3 in the Milam Coffee Shop with Mrs. Charles Payne as hostess.

Billy Hawk Feted With Birthday Dinner

Mrs. Billy Hawk honored her husband with a family dinner on his birthday Wednesday night, Feb.

16 at their home.

The dinner table was laid with a white, linen cloth and centered with the birthday cake iced in a delicate green with floral decorations. It held twenty-five candles.

Present were the honorees parents and brother Mr. and Mrs. Joe Hawk and Butch and the hostess parents and grandmother, Mr. and Mrs. V. A. Hughen and family, and Mrs. Mildred Drennon of Jones Prairie.

One of the newest families in Milam County are Mr. and Mrs.

Milton Mesecke and their 10 month old son Mark. They moved here from Corpus Christi and plan to start ranching in this general vicinity.

In 1954, one among every 10 servicemen and women was given Red Cross help each month at a camp or hospital.

The Spanish-American was the first war in which American Red Cross nurses participated.

Data Supplied For Self-Employed Preparing 1954 Income Tax

F. J. Schultz of the local Internal Revenue Office today supplied the following information for the benefit of self-employed persons in preparing their 1954 income tax returns.

Every individual who derives income from a trade or business carried on by him or by a partnership of which he is a member is subject to self-employment tax unless such income is specifically excluded under the statutes. The self-employment tax is a part of the income tax.

For 1954, income from the following excluded professions is not subject to self-employment tax: farmer, physician, lawyer, dentist, osteopath, veterinarian, chiropractor, naturopath, optometrist, Christian Science practitioner, architect, certified public accountant, accountant registered or licensed as an accountant under State or municipal law, full-time practicing accountant, funeral director, professional engineer.

The income of a minister or a member of a religious order or a public official, including a notary public is exempt from a self-employment tax. Income from the performance of service as an employee or an employee representative under the railroad retirement system, or an employee who is an agent driver or commission driver engaged in distributing meat, vegetables, fruit and bakery products, beverage (other than milk), or laundry or dry cleaning services; a full-time insurance salesman; a homemaker doing work subject to State licensing laws; or a traveling or city salesman generally engaged on a full-time basis is exempt from self-employment tax.

Rents from real estate are exempt except those received in the trade or business of a real estate dealer who sells regularly to customers. Income received for the use and occupancy of rooms or other space where services are also rendered to the occupant, such as in hotels, boarding houses, apartment hotels furnishing maid service, linen service, etc., tourist camps, tourist homes, parking lots, warehouses and storage garages, and director's fees are subject to self-employment tax.

Interest and dividends, except those received as a dealer in stocks or securities, and gain or loss from the sale or exchange of property which is not stock in trade or held primarily for sale to customers in ordinary course of business are exempt from self-employment tax.

Estates and trusts are not subject to self-employment tax. Services of testamentary trustees and trustees under assignments in bankruptcy are subject to the self-employment tax unless they are considered in the practice of one of the exempt professions.

An individual's distributive share of net earnings from a partnership engaged in a trade or business and not in any of the exempt activities is subject to self-employment tax. If the partnership activities do not come within one of the exempt professions, each partner's distributive share of the income is subject to the self-employment tax regardless of whether the partner is also engaged in the practice of one or more of the exempt professions and contributes his professional services to the partnership.

The rate is 3 per cent of net earnings of \$400 or more from a business or profession. No self-employment tax is payable if the net income is less than \$400. The rate is applied to the first \$3600 of net self-employment income for 1954, and if the individual also had wages subject to the 2 per cent Social Security tax deducted by his employer, the amount of the wages reduces the \$3600 ceiling. The remainder, if any, of self-employment earnings will then be subject to the three per cent rate.

The maximum self-employment tax for 1954 is \$103, and this tax is added to the other income tax shown on page 1 of the Form 1040 which the taxpayer must file. The self-employment tax is never annualized on an income tax return for a short period even though the income tax might be so annualized. If any of the income derived from a trade or business is community income under the community property laws of the State, all of the gross income and deductions attributable to such trade or business is treated as the gross self-employment income and deductions of the husband unless the wife exercises substantially all of the management and control of such place of business, in which case all of such gross income and deductions are treated as the gross income and deductions of the wife.

A taxpayer is required to compute his self-employment tax on page 3 of Schedule C which is to be made a part of his regular income tax return, Form 1040.

Mrs. Alvin Allday and son, William Alvin of Rockdale were recent visitors in Cameron.

New Boy Scout District For Falls, Milam County Formed This Week

The final organization meeting of the new Boy Scout District of the Heart O' Texas Council, made up of Falls and Milam Counties met Monday evening, February 14, at 7:30 at the Bel-Falls Co-op Building in Rosebud with 52 men in attendance. Frank Hyder, temporary chairman, from Rockdale, presided.

The meeting was opened with a short ceremony put on by Scouts and explorers of Rosebud. Rev. Yokely of the St. John's Methodist Church, Rockdale gave the invocation.

Each man present, then stood and introduced himself, gave his position in scouting and home community. Towns represented included Marlin, Rosebud, Cameron, Sharp, Rockdale and Thorndale. Dr. Haines Brindley, Heart O' Texas Council vice-president, explained the seven basic functions of the District and using boy fact figures showed the men the vast opportunity in the new district for the expansion of the Boy Scout Program.

Harold Baugh, from Rockdale then suggested the group take definite action to form a District. The motion was made by Rev. Streeter of Marlin and seconded by H. D. Maxwell of Rockdale. The motion was approved.

J. M. Legon of Rosebud had been appointed chairman of a nominating committee at a previous meeting. He presented the following slate of officers for the new district which were adopted.

Frank Hyder of Rockdale, chairman; L. R. McAtee of Rosebud, vice-chairman; Charles Burke of Cameron, vice-chairman; J. H. Kennedy of Marlin Commissioner.

Hyder, the new district chairman thanked the men for their confidence. Formal registration of those men present was then completed. The next meeting for the full committee was set for March 21 at the Cameron Presbyterian Church.

The final item of business was the discussion of a name for the new district. After a discussion the motion was made and approved that the boys of the District have the opportunity to suggest a name. The District Executive was asked to get letters to all Unit Leaders in the District and ask their boys to send suggested names for the new district to either Charles Burke Cameron or L. R. McAtee at Rosebud. A name will be selected by a committee and approved by the March District Committee meeting. A suitable award will go to the boy submitting the winning name.

Meeting adjourned at 9:30 p. m. followed by refreshments served by the Rosebud scouts.

Sgt. H. Lawrence Member of Fourth Armored Division

Army Sgt. Harvey C. Lawrence, son of Mrs. Maude Whittington, 1414 N. Fannin, Cameron, Texas, is a member of the 4th Armored

Division at Fort Hood, Texas. The 4th Armored Division, reactivated in June 1954, is now undergoing a comprehensive training program. The unit won fame in Normandy and Bastogne in World War II.

Sergeant Lawrence, whose wife, Edna Mae, lives in Killeen, Texas, is a truckmaster with the 35th Tank Battalion. He entered the Army in 1944.

John Miller, who is in the John Sealy Hospital in Galveston, is reported to be recuperating nicely after the amputation of his leg Monday. He is the father of Mrs. Cecil Williams of Cameron.

you need fewer linens if you have

an electric laundry!

An electric laundry is fast as a fairy godmother's wand when it comes to turning dirty clothes into clean ones. Naturally, you can get along luxuriously with fewer linens because you need no "extras." The money you save could easily make a down payment on an electric washer and electric dryer — true Cinderellas for your laundry room. See your electric appliance dealer right away!

be modern...laundry electrically!

Brilliant New Styling-Blazing New Power at everybody's price*

The 1955 Pontiac is evidence that price is no longer a factor in making the step to fine-car luxury and performance. Every new Pontiac you see emphasizes the fact that here is the most distinctively styled car of all. But Pontiac's brilliant styling is only part of all that's new and modern in this great General Motors masterpiece. A few

minutes behind the wheel provides the clinching evidence. Pontiac's mighty Strato-Streak V-8 responds instantly, whether you're in city traffic or cruising the open road. With Pontiac's new, bigger brakes and recirculating ball steering, handling is almost effortless. New wide-stance rear springs; roomy, luxurious Body by

Fisher and shock-proof chassis complete the fine-car picture.

Normally, all this would add up to high price—but Pontiac has changed the pattern with prices that start so close to the lowest that if you can afford any new car you can afford the easy and satisfying step to Pontiac pride and distinction. Why not come in at your first opportunity and get the facts and figures?

Go Modern... Go Pontiac

WITH THE SENSATIONAL STRATO-STREAK V-8

Three Great Lines—All with Strato-Streak V-8 Power 860...870 and STAR CHIEF
Engineering advances by the score have been incorporated in Pontiac's Strato-Streak V-8 to enhance even further Pontiac's reputation for economy, dependability and long, trouble-free life.

*You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars!

LETTER TO THE EDITOR

Feb. 19, 1955
Scott and White Annex
Room 232
Temple, Texas

Cameron Herald
Cameron, Texas
Dear Friends of the Herald office,
I'm writing you about Janice Simecek.

All our friends ask me to write them of Janice progress while in the hospital, and I'm getting tired of writing so many, so I thought this would be the easiest way for them to find out her condition, and I knew you would be interested.

Janice was admitted to the Scott and White Hospital the day after the FHA March of Dime party. I believe the 3rd. of Feb. (dates don't mean much when in a hospital) for spinal fusion, on Feb. 11. She had her first operation and came out of it better than I had even hoped for, she has her second operation on Tuesday of next week and I'm hoping they both will be successful, but will not know for about 6 mo. as she will be in a cast that long.

She has really enjoyed the many card, flowers and presents that her friends have sent her. And wishes thank everyone, but we hope to do this personally soon.

The purpose of these operation are to correct a scoliosis of the spine, we hope next year she will be back in school without the aid of braces.

The Milam County Chapter of the March of Dimes have been very nice to us, in helping us with the expenses.

She will probably be in the hospital 2 more weeks depending on the next operation.

I remain
Gratefully,
Mrs. Alfred Simecek.

Minerva Stages Community Party

The public is invited to a Community party at the Community Center of Minerva the night of February 28.

The program opens at 6:30 p.m. with home made chili and pie served. Games will be available for those who care to play.

The party is jointly sponsored by the Minerva Community Center and the Minerva Home Demonstration Club with Mrs. Bob Terry as president.

All proceeds go to the Community Center.

Awards Presented At Annual Blue & Gold Scout Banquet Tuesday

Approximately one hundred and eighty were present at the Pack 213 Blue and Gold Banquet held at Simon-George Hall Feb. 22 at 7 p.m.

Cubmaster F. W. Vogelsang acted as master of ceremonies. Mrs. R. J. Woodum, chairman received the guests.

At the opening of the program, Rev. George Duda of St. Monica Catholic Church, gave the invocation. Mrs. Eugene Mees, led the singing of the "The Star Spangled Banner" and "America", after which Lee Marek recited the greetings from the Lions Club, sponsors of the Pack.

All of the pack leaders, den chiefs, den mothers and friends were introduced followed by skits from dens 6, 2, 5, and 4.

Den 6's skit was on the history of the flag. They displayed the flag as it grew when it increased in number of states.

Den 2 gave the life of Benjamin Franklin while Den 5 sang "America" and Den 4 sang "George Washington".

Cub Scouts from Den 1 gave the welcome to the parents with Mrs. Merlin Lester giving the parents' response. Mrs. W. C. Wallace gave the review of last year's activities.

John Duke, Scout Field Director gave interesting notes and highlights of coming themes. His interest and explanation should create more interest from parents.

Edward Schiller, awards chairman gave the following awards: BOBCAT PIN AWARD

Melvin Rivers, Donald Ray War-

ren, Phil Eanes, Dickie Ponder, Kenneth Blake, Judson Smith, George Bowman, Mike Perrin, Richard Moseley.

WOLF BADGE

Michael Koranek; David Hudson with one gold arrow and five silver arrows; Carl Moody; Thomas Leonard with one gold arrow and two silver arrows; David Schofield; Carol Plackey with one gold arrow; Donald Pimpler with one gold arrow; Larry Plentl; Frank Hughes; Kenneth Thompson; Jimmy Dean Franklin with one gold arrow and three silver arrows; Thomas Moody with one silver arrow and Michael Mikula with one gold arrow and two silver arrows.

LION BADGE

David Hudson; Thomas Leonard; Eugene Mees; Eugene Schattler; Michael Hanel;

2 YEAR SERVICE STAR

Ronnie Litzman.

ONE DEN CHIEF CORD

Lee Marek, president of the Lions

presented baseball gloves as first and second prizes to two scouts for winning the conservation project of the past year.

Lee Bert Robinson took first place while Craig Wallace won second. Both boys sold the most magazines, "Soil and Water", a ark Perrin.

Executive present were Don Humble and family, he is the unit chairman; Lee Marek, Lions club president; John Duke and daughter, he is Scout Field Director; Rev. John Solomon, pastor, First Presbyterian church and Rev. Duda, both scout executive committeemen.

The cubs will work closer with Mr. Duke during the coming year in an attempt to make it even more successful.

John Zawadzke of Buckholts was a Cameron business visitor Wednesday.

Arnold Tells Farm Bureau Members That Farmers Must Organize

The Milam county Farm Bureau closed its seventh anniversary celebration Thursday at Simon-George Memorial Hall with a record crowd of 500 in attendance.

Riley G. Arnold, of Alburn, Alabama, assistant organization director for the Southern Region of the American Farm Bureau Federation, and guest speaker for the day discussed "Why We Are Here."

He stated that the farm bureau was a family organization. "Every member of the family has the opportunity to participate in the farm bureau program."

By belonging to the organization, he stated that every person could be a leader by attending the meetings and learning from them.

"You might think that rural people don't have the advantage that city folks have, but that isn't true anymore," Arnold stated. "Rural people are realizing the necessity of organizing the agricultural people just as any other industry" he concluded.

A. C. Wimpee of Dallas was the master of ceremonies. John A. Smith, president of the Milam county farm bureau opened the meeting and introduced the guests. S. W. McClaren, Jr., of Cameron and State Director of District 8 gave the invocation. Also present was Harold West of Bishop, who is secretary and treasurer of the Texas Farm Bureau.

The Yoe High School swing band, directed by Francis Cox played several selections. Jimmie Asher, ed-Director Social Security Administration, discussed the SS agricultural laws, after which the meeting was opened to questions from the audience.

A string band, composed of Richard Wilkinson, Joe Lee Heitman, Donald Shuffield, Dwayne Bowley,

and Wayne Fisher. The group of boys, all Camerones, enlightened the group with the latest hillbilly hits.

Wm. F. Arthur, Milam county farm bureau service agent, spoke briefly.

ucational director of the First Baptist church, led the group singing. James B. Marley, the District

Following several acts of magic from Wimpee, the drawing in the Swine contest took place. Two girls took the pigs home again for the second consecutive year. Stella Inge, 11 year old daughter of Mr. and Mrs. Arthur Inge of Route 2, Buckholts and Virginia Raye Able, 12 year old daughter of Mr. and Mrs. Floris Able of Route 1, Buckholts were the winners. Last year two girls from Burlington were the winners.

A noon meal, picnic style on the grounds, was served.

During the day the Hoyte home demonstration club gave away a quilt, made by the members. Winner was Mrs. Steve Polzer of Cameron. The Clarkson home demonstration had homemade garments wrapped as surprise packages available to the crowd.

Dr. W. R. Swain At Methodist Church Sunday

Dr. W. R. Swain, District Superintendent, of Bryan, will hold services at the First Methodist church Sunday morning, February 27 at 10:55.

Mrs. Gordon Dougan of Calvert is visiting in the Joe Anderson home.

Mrs. Mamie Lunsford visited with her daughter in Houston Sunday.

19 O. J. Thomas Students On Honor Roll

Nineteen O. J. Thomas students received honor roll rating during the first semester of this school year. C. L. Sadberry, principal, announced.

To be on the honor roll students had to have a B average on up. Those qualifying for the honorary society, Phi-Mo-Tus, with their scholastic average were: Ernest Ray Moore, freshman, with 5.6 average; Patsy Ruth Murphy, sophomore, with 5.5 average;

Gwendolyn Griffin, sophomore, 5.5 average; Joyce Wesley, Sophomore, 5.25; Mineola Petty, junior, 5.25; Wanda Mason, sophomore, 5.; Doris Ferne Williams, freshman, 5.; and Johnnie B. Wright, junior, 5. average.

Those with B averages were: Anna Margaret Tally, freshman, 4.8; James Boyd, freshman, 4.6; McKinley Pett, senior, 4.5; Ira Pendleton, junior, 4.5; Hattie Canady, sophomore, 4.5; Booker T. Green, sophomore, 4.5; Dorothy Williams, sophomore, 4.5; Charlesy Mae Ward, sophomore, 4.25; John Henry Boyd, junior, 4.25; George De Bose, freshman, 4.2; and Charlotte Faye Turner, sophomore, 4. average. Sadberry announced that out of

the former O. J. Thomas Students on the honor roll at Prairie View was Eddie Carl Nellum, who led the honor students with 2.9 average out of a possible 3. academic rating.

Eddie, who is the son of Mr. and Mrs. Ed Nellums of Cameron, is majoring in Electrical Engineering and minoring in Physics, now is in his sophomore year.

Skippy proved how smart he was!

(As told in the Post, Life, Time, Newsweek . . .)

Except for Skippy, it would have been too late . . . and except for the advice of their Hartford Fire agent, the amount of insurance on their home would have been too little.

The alert Skippy saved their lives. Their agent's advice against cutting down on insurance also proved a "life saver." *The loss was paid in full!*

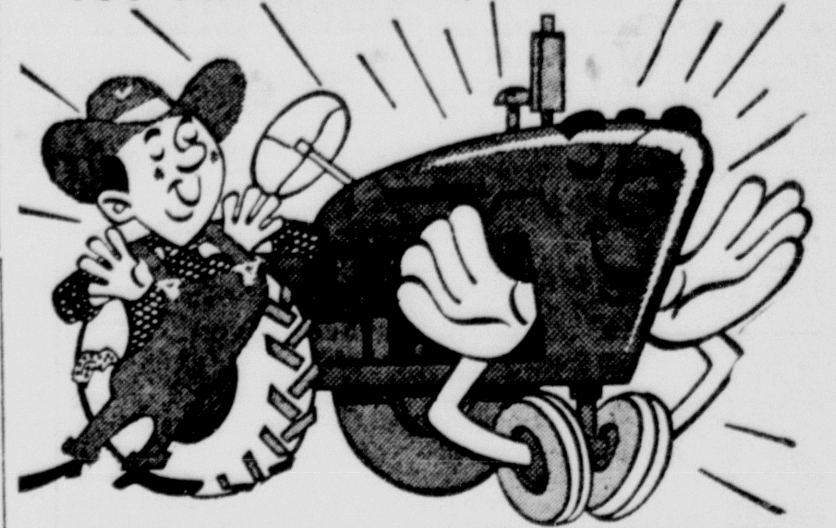

For conscientious advice and service, for dependable insurance protection, call on this Hartford Fire Agency today.

Milano Stages Amateur Program February 26

The junior class of the Milano School is sponsoring an amateur program Saturday night, February 26, starting at 8:00 p. m. in the Milano school. There will be no admission.

The amateur show will be held on the last Saturday night of each month at the Milano school.

Refreshments will be available while cake walks, good music, "Clean Comedies" by a very special guest, "big nose" from Coon Creek Holler, will be featured on the program.

Music will be furnished by the Dood Bros, Ronald, Garland, and

E. C. Westbrook, Duck Shuffield and others from Cameron. Danny Kelly of Cameron will also entertain on the piano.

Anyone can enter the amateur show by listing their act with Donald Shuffield, Phone 822 or 935.

107 Lone Star Gas Groups Set Safety Record

One-hundred and seven separate employ groups of the Lone Star Gas Company and its wholly-owned subsidiary, Lone Star Producing Company, have attained perfect safety records representing 19,169,199 (million) hours of work without a lost-time accident.

The records, ranging from one through 26 years as of December 31, 1954, represent a cumulative total of 457 years. Last year the 107 employ units amassed 5,433,316 accident-free hours.

Heading the list in accident-free years is Lone Star's compressor station at Joshua, Texas.

Averaging 12 employees, the plant accumulated 991,492 accident-free hours in 26 years. C. E. Putman, Jr. is plant superintendent.

Lone Star's Joshua pipeline district accumulated the greatest number of hours. Averaging 39 employees, the pipeline personnel worked 999,096 hours in 12 years without a lost-time accident. George Minton is district foreman.

Lone Star President D. A. Hulcy lauded Lone Star personnel for their day-in- and day-out efforts toward accident prevention.

"The safety records," Mr. Hulcy said, "reflect strict adherence to Lone Star's constant program of training employees in the importance of safety not only in their lives but in the lives of the men, women and children who represent the public we serve."

Framed certificates pointing up the safety accomplishments will be presented at forthcoming employee safety meetings. They bear signatures of Hulcy and other Lone Star officials.

A. W. Breeland of Dallas, assistant personnel director, is in charge of Lone Star's safety program.

Electricity Can't Think - You Can!

Did you ever turn on the electric stove and have the radio slowly turn red, while music started coming from your refrigerator? Or plug in the toaster and have the oven door light up with "I Love Lucy"?

Of course not - because electricity is dependable. If wiring and appliances are in good, safe condition, we will get the result we expect when we snap a switch, plug in an appliance, or turn on a motor.

There are danger signs to heed and precautions to take if electricity is to continue being a safe, dependable servant. A spark or flash occurring where it shouldn't is a warning of trouble that should be investigated immediately, as it might start a serious fire if the cause isn't remedied.

The first tingle of shock that you feel when a switch is turned on or

an appliance is touched is another serious warning to heed - because the second shock could make you feel like the roof caved in!

A shock is usually an indication that a "hot" wire has become grounded or is touching the frame of the device or appliance. Further, it is a condition that will grow worse rather than improve.

Appliances such as washing machines, water heaters and stoves should be properly grounded. Portable electric tools used in garages

Everyone knows the potential danger of frayed extension and lamp cords. Overloading circuits lowers the voltage and may cause fire if proper-sized fuses are not should also be grounded.

Where electricity causes injury or fire, don't blame the electricity; blame the person who forgot, overlooked or failed to heed a significant warning.

Electricity provides many comforts and conveniences. Thanks partly to its power, former luxuries are now necessities. In order to continue enjoying these benefits, heed all warnings and observe all precautions. Let smoke curl from the chimney of your home rather than from between your walls! By being careless, you may find electricity lighting up your eyes and ears instead of your tools and appliances - which would be a painful and not too efficient result!

Treat electricity with respect - it is an excellent servant but a totally heartless master. Always remember that electricity can't think - but you can!

Pvt. Hunter Starts Basic Army Training

Pvt. Donald L. Hunter, son of Mrs. Lillie Hunter, 302 Burleson Ave., Cameron, recently began 8 weeks of Army basic training in the Antiaircraft Artillery Replacement Training Center at Fort Bliss, Texas.

He will spend his first eight weeks of basic military training on fundamental subjects such as rifle, machine gun, bazooka marksmanship and familiarization with Army technical subjects. This first phase of training is climaxed with a one week maneuver in the field.

Fort Bliss, established as a frontier outpost more than a century ago, is located in West Texas on the Mexican border, adjacent to El Paso.

Texas Ex's March Dinner Planned

Milam County Texas University ex-students will hold their annual dinner on March 2, Texas Independence Day, at the Cameron County Club at 8 p. m.

Senator Jarrard Secrest will be guest speaker at the reunion with Jack Prescott, local attorney, acting as Master of Ceremonies.

Buckholts Church To Observe "World Day of Prayer"

The Czech Moravian Brethren church at Buckholts will observe "World Day of Prayer" with a special service Friday, February 25, beginning at 7:00 p. m.

Speaker will be Raymond Posival, former superintendent of the

Brethren League whose topic will be, "Dividing the Right from the Wrong."

Ernest Orsag, Sunday School Superintendent, will be in charge of the program featuring several musical selections, with Mrs. Alvin Pevial serving at the piano. The service is open to the public.

Temple Hospital Thanks Local Church Women

Mrs. Grady Stidham of Cameron received the following letter recently from L. M. Cochran, M. D., manager of the Veterans Administration Center in Temple.

The letter read:

Although belatedly, we wish to acknowledge receipt of the approximately 750 Christmas stockings

which were provided the patients and members at McCloskey Veterans Administration Center, Temple, Texas, during the recent Yuletide season, by the members of the various churches of Cameron, under your leadership and guidance.

Needless to say, these stockings contributed immeasurably to the welfare and morale of these veterans who were unable to spend the holidays with their families.

May we again take this opportunity to express to you and your associates our sincere gratitude and appreciation for the interest you continue to manifest in our hospitalized and domiciled veterans through your participation in our voluntary service program. Without your assistance it would be virtually impossible for us to render them the service they receive.

Wishing you a happy, healthy,

and most successful 1955, I remain, Sincerely,
L. M. Cochran, MD
Manager

LaVerne Dodson Takes Part In Talent Show

LaVerne Dodson of Cameron took part in the spring talent show presented by Pi Kappa Delta, debate fraternity, at Mary Hardin-Baylor college.

Miss Dodson, who is the daughter of Mr. and Mrs. Allen Dodson of 303 37th street, Cameron, played a piano solo, "Rondo From Mozart's Sonata in A."

In 1954 the International League of Red Cross Societies was enlarged to 73 members with the recognition of the National Red Cross

cent and Red Cross Societies of Afghanistan and the German Democratic Republic.

Last year, one out of every three pints of blood donated to the Red Cross was provided for national defense use.

Since the agreement of March, 1953, the Chinese and Japanese Red Cross Societies have cooperated in the repatriation from China of over 26,600 Japanese nationals

"In The House of Representatives"

Feb. 14-18. The House passed its first bill regulating one phase of the insurance industry. This measure would place the State Insurance Board under the supervision of the insurance stock. An effort was made and failed that would place the regulation of sales of insurance stock in the office of the Secretary of State.

A constitutional amendment creating a board to redistrict the state into Congressional Districts should the legislature fail to redistrict the state failed to receive the necessary 100 votes. The amendment is still pending.

Two other Constitutional amendments were delayed for a week. One would place the car license fee tax in the Constitution and the other measure would establish a water development fund through the payment of a State ad valorem tax.

Passed in the House was a bill reducing the number of campaign expense reports by candidates from a maximum of eighteen to six. A bill abolishing cross filing was set for a public hearing for February 21 and a hearing was set for March 7 on the bill revising the election code generally.

The House took up for consideration the bill exempting certain women from jury service and postponed the bill for four days.

The bill regulating lewd and corruptive literature was passed in the House to final reading by a voice vote.

A bill making Tarleton College at Stephenville a four-year college was killed by a Senate committee.

A bill validating the acts of County School Board and Independent School Boards that is passed every session of the Legislature was passed in the House and went to the Senate.

Passed in the House was a bill authorizing Texas Southern University at Houston to establish and maintain military courses.

A bill to raise college tuition fees from twenty-five to fifty dollars per semester was delayed for further consideration by the Education committee.

Eighty House bills and eight Constitutional amendments were introduced during the week. The committees in the House reported favorably on thirty-four bills.

Lenten Season Opens With Ash Wednesday

Rev. George J. Duda, pastor of the Saint Monica Catholic Church announced that Lenten Devotions will be held in the Church each Sunday, Wednesday and Friday nights beginning at 7:30 p. m.

The Lenten Season in the Catholic Church begins with Ash Wednesday, February 23. Services will be held at 8 a. m. with the blessing and distribution of Ashes before the morning Mass. Father Duda also announced that the ashes will be distributed after the evening services Wednesday night.

He stated that the Ashes are the blessed palms that were left over from Palm Sunday of the previous year. The Church observes the Ash Wednesday service to remind the faithful that the Lenten season should be one of sacrifice and penance. A symbol of the cross is placed on the forehead with the ashes by the priest to especially remind the people of the last end, "Dust Thou Art and Unto Dust Thou Shalt Return". The symbol of the cross is used because Christ died on the Cross for the world's sins.

Father Duda said that the rosary will be recited and benediction will be held on each Sunday and Wednesday night with the "Stations of the Cross" scheduled each Friday night.

The Lenten season is climaxed by Holy Week with special services observed by the Church on Maundy Thursday, Good Friday and Holy Saturday, with the feast of Esther celebrated on April 10.

Opal M. Sapp Engaged To James C. Humphrey

Mr. and Mrs. J. B. Sapp of Cameron announced the engagement and approaching marriage of their daughter, Sargeant Opal M. Sapp to Corporal James C. Humphrey of Mineola.

The wedding date has been set for March 2 in the Ft. Hood Chapel.

Both Sgt. Sapp and Cpl. Humphrey are stationed at Ft. Hood, Texas. She is a mess sgt. and he is with the Army Service Unit.

Influenza Most Prevalent In Milam Last Week

Influenza was the most prevalent disease in Milam County during the week ending Saturday, February 19, according to a report submitted by Dr. John B. Bryson, head of the Milam County Health Unit.

The thirty-four cases of flu were reported by doctors in the county, one of the largest numbers during any one week this year.

Another week was chicken-pox with 23 cases reported. There were also 18 cases of strep throat, seven cases of mumps, three cases of gonorrhea, two cases of measles and two cases of pneumonia.

FAMILY NIGHT
Wednesday night at 6:45 Family night supper will be held at First Presbyterian Church. It is urged that each family be represented.

A film on World Mission will be shown, the pastor, Rev. John Solomon, announced.

Walter McBride, Mrs. Cammer's Brother Dies In Travis

Funeral services for Walter McIntosh McBride, 41, of Travis, Texas, the brother of Mrs. Jack Cammer of Cameron, were held at 2 p. m. Sunday in the Travis Baptist Church with burial in the Travis Cemetery.

He died Friday night.

Survivors include his mother, Mrs. D. M. McBride of Travis; two brothers, Dick McBride of San Antonio and Ervin McBride of San Francisco; five sisters, Mrs. Inez Thornton of Laredo, Mrs. Edna Cammer of Cameron, Mrs. Joyce Harris of Fort Worth, Mrs. Lucille Jones of Rosebud and Mrs. Orelia Siler of San Antonio.

Sharp Students To Be Honored At Banquet

A banquet, given by the P. T. A. of the Sharp High School, will be held Friday night in the school building to honor the athletic boys and girls of the Sharp school.

Special guests will be Mr. and Mrs. Bob Wilson of Cameron, Rev. and Mrs. Freddie Powers, Mr. and Mrs. R. D. Caraway, Mr. and Mrs. Dwight Hine, Mr. and Mrs. Marvin Slovacek and Mr. and Mrs. W. R. Bunker.

Mr. and Mrs. Charles Brady, Sr. of B. and B. Studio, will be present to take pictures.

Edmund Schmidt, Lynn Lewis New STSTC Students

Lynn Lewis and Edmund Schmidt, Jr., of Cameron are among the 380 new students enrolled for Texas State Teachers College at San Marcos.

Total enrollment at the College has reached 1770, the second highest figure for spring semester enrollment in the school's history.

Highest enrollment was in 1950 when World War II veterans swelled the total to 2092. Third high was in 1951 when 1746 students attended the college.

A survey of this semester's enrollment shows that the men again outnumber the women on the campus as they did last term. The ratio is 1023 men to 747 women.

Miss Lewis, daughter of Mrs. A. J. Lewis of 616 W. Main, is a freshman at SWTSTC. Schmidt is the son of Mr. and Mrs. E. C. Schmidt of Route 1, Cameron.

A1c John E. Sapp Gets Conduct Medal

A1c John B. Sapp, the son of Mr. and Mrs. J. B. Sapp of Cameron, who is on a B-27, stationed with the 581st Air Reconnaissance Squadron at Kadena Air Force Base on Okinawa, received his three year good conduct medal recently for honesty, efficiency and fidelity.

He has been stationed at Okinawa since July of 1954, having previously served in French Morocco.

Cameron Girls In TSCW Class Stunts Saturday

Participating in Class Stunts at Texas State College for Women Feb. 18 and 19 were two Cameron girls, Mary Frances Hensley and Sara Esslinger.

Miss Hensley is the daughter of Mr. and Mrs. C. Hensley, Route 1. She is a sophomore home economics major and worked on make-up in stunts and was director of publicity for the sophomore stunt. Miss Esslinger is also president of the sophomore class.

Miss Esslinger, daughter of Mr. and Mrs. Andrew Esslinger, is also a sophomore. Her major subject is English. She also worked on the make-up committee.

Both girls were members of the cast during their freshman year.

TSCW Class Stunts began 41 years ago and are presented each year by the four classes in competition for a silver loving cup, the most coveted of all college awards.

Each class presents a 20-minute skit two nights. The cup is awarded on the final night. Stunts have become well known over the state for their color, originality, fresh talent and professional presentation.

Bake Sale Planned By Rebekah Lodge

The Cameron Rebekah Lodge met Tuesday night in regular session in the IOOF Hall with Mrs. Truman Pembroke, Noble Grand, presiding.

During the meeting plans were completed for a bake sale to be held in front of the Leader Department Store on Saturday morning, March 5, from 10 to 12 noon.

After the business meeting refreshments were served by Mrs. Joe Lutz, who was hostess for the meeting.

Their next regular meeting of the group will be March 1.

Father - Daughter Banquet Planned By Girl Scouts

Local Girl Scouts and Brownies will entertain their fathers at their annual Father-Daughter banquet at the Methodist Fellowship Hall at 7 p. m. March 7.

All of the local scouts and their fathers and the girl scouts from Buckholts and their father, who have been given a special invitation to attend will be present at the banquet.

Arrangements were completed at a meeting of all adult scouting workers, board members and troop leaders at a meeting in the Presbyterian Church Monday afternoon.

Only active troops will participate in the evening's entertainment, with approximately 175 expected.

Following the dinner a film on girl scout camping will be shown.

Shangri La at Bremerton, Washington, and has made his first sea trail on the Pacific Coast. Mr. and Mrs. Frazier and son, Don spent Sunday afternoon in Georgetown visiting another son, Garland Dale who is a student at Southwestern University.

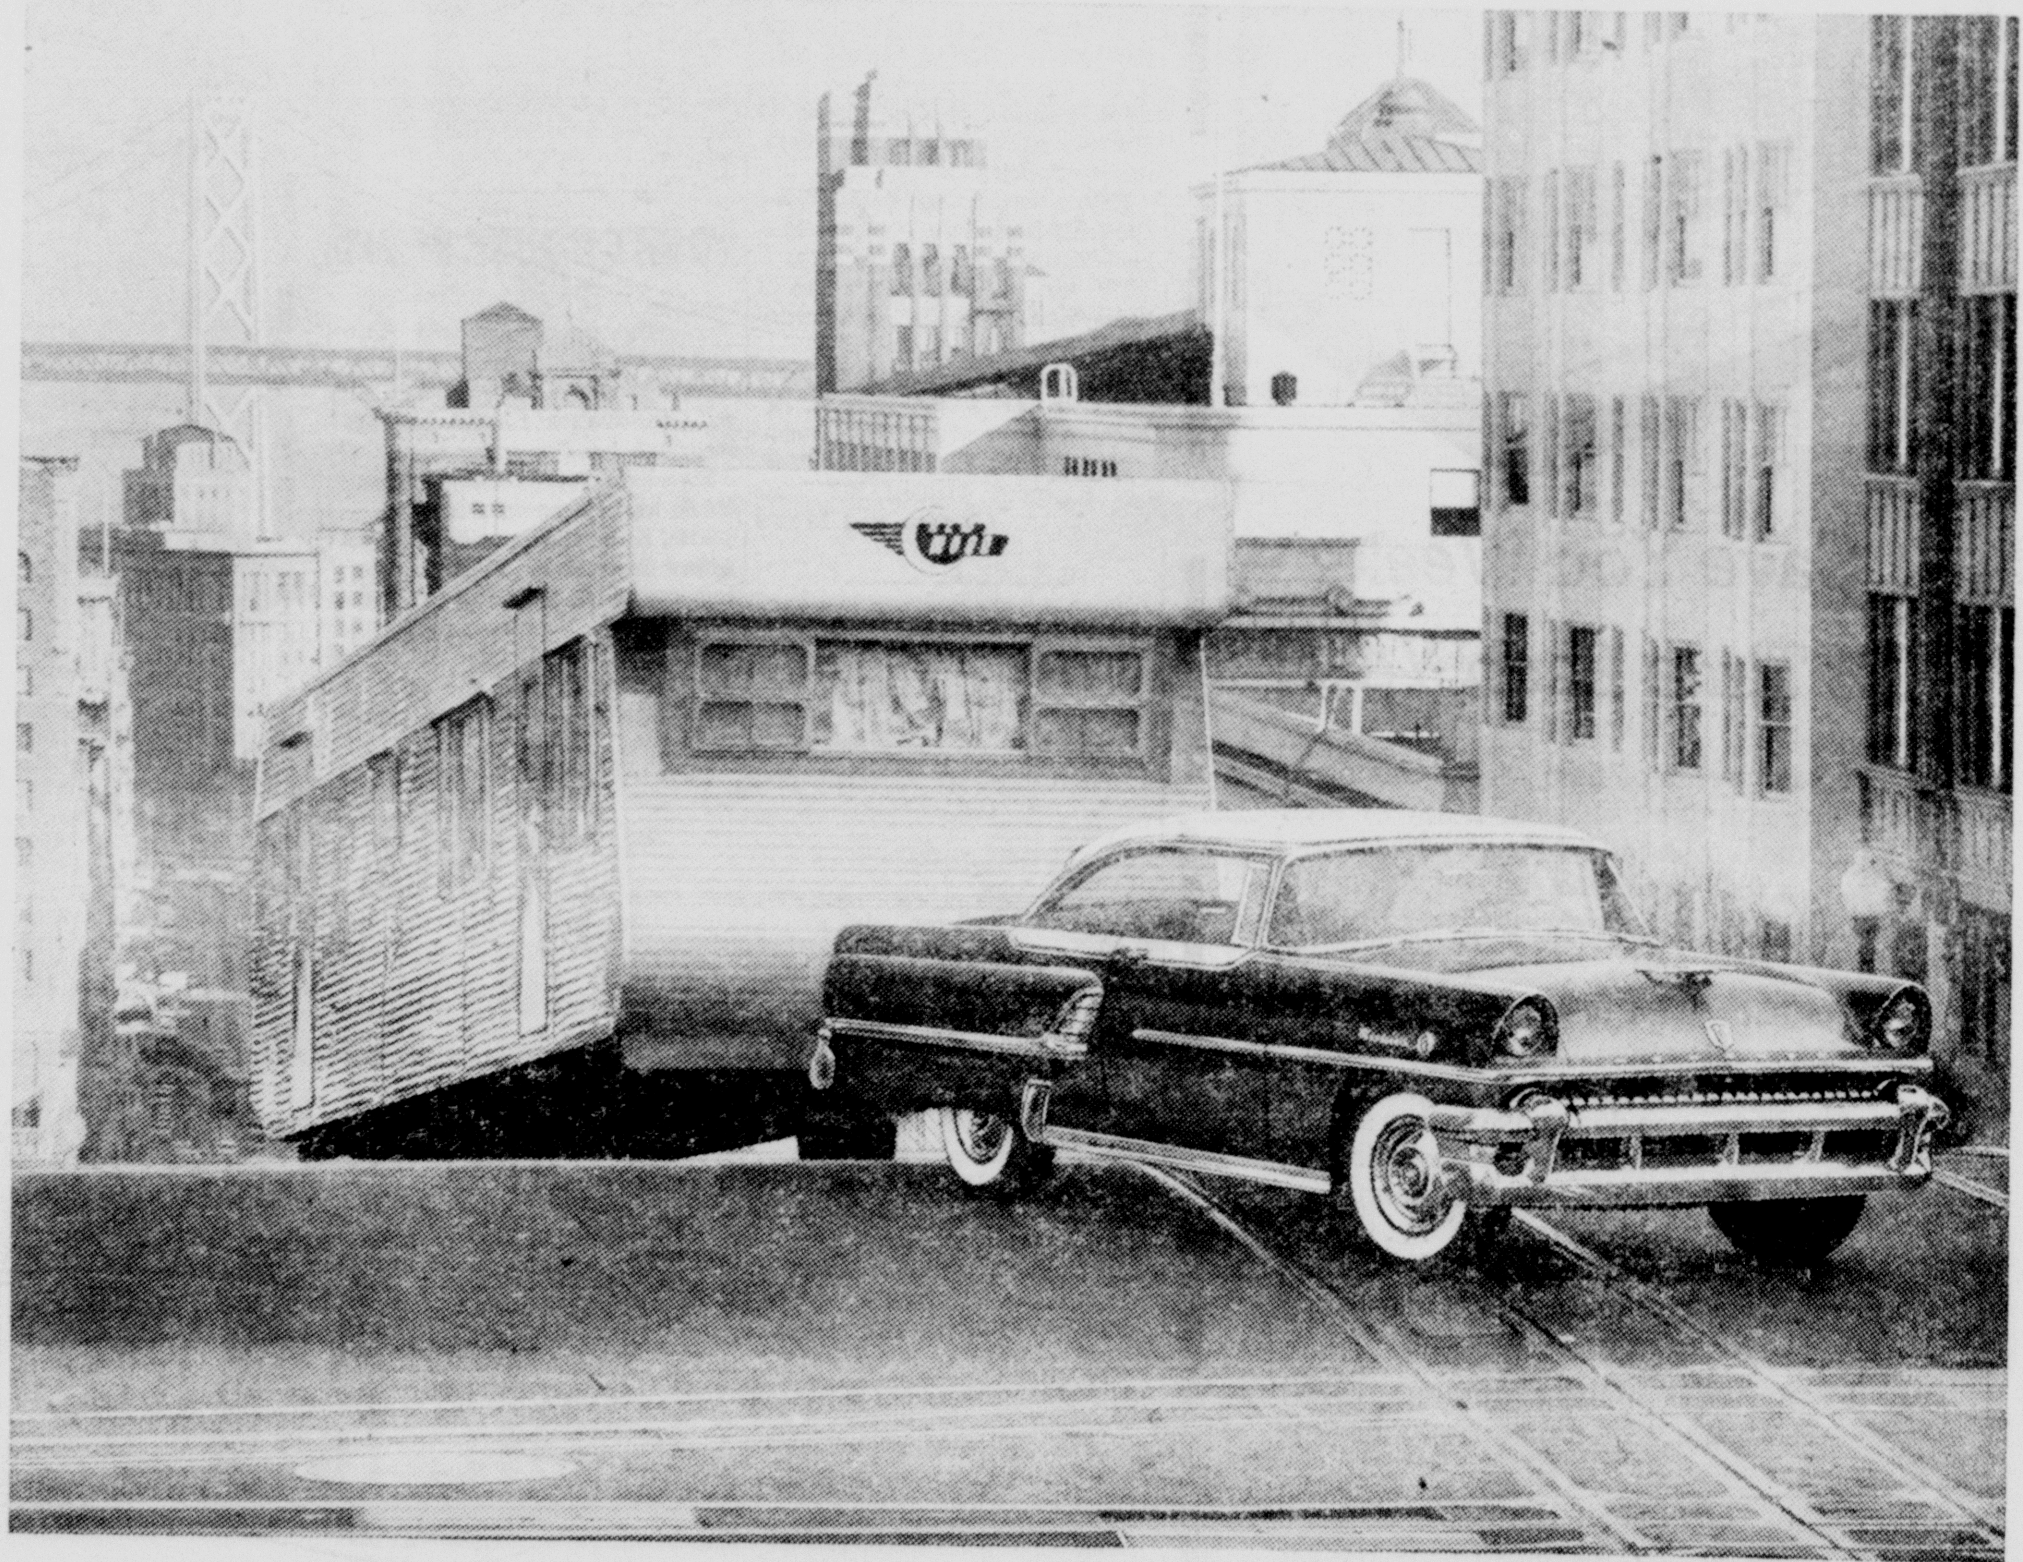

HIGH EGG PRICES EXPECTED BY FALL

say most economists

Egg prices for 5 years have been down one year—up the next. Since prices were so low in 1954, many folks who study egg prices say you'll be selling eggs at extra high prices next fall and winter. Order Chicks Now for Best Profit Opportunity. Take advantage of this fine profit opportunity. Order chicks now. And be sure to raise them on Purina Startena and Growing Chows for low-cost development that means you'll have lots of eggs to sell when prices are highest.

IDEAL HATCHERY

New 198-hp Mercury pulls 4 tons up Nob Hill

Tough San Francisco test proves that Mercury's new Super-Torque V-8 delivers more usable power to the rear wheels—where it counts!

You may never have to haul a 41-foot, 8090-pound trailer. But the fact is that this car—a standard production model—easily pulled this load up one of the steepest hills in the country, a phenomenal demonstration of the tremendous reserve power in this new Mercury Montclair.

There's 198 horsepower in its new SUPER-TORQUE V-8 engine. And there's a new dual-exhaust system

and a 4-barrel carburetor to put this power to work. You get far more than just greater top speed. You enjoy split-second getaway, instant response for passing, effortless hill climbing—super pickup in every speed range.

But the Mercury story of 1955 isn't based on power alone. You get exclusive styling shared by no other car—in 3 stunning series, 10 bigger-all-over models. You get new improvements in ball-joint front suspension . . . faster-acting Merc-O-Matic Drive (optional) . . . and 20% larger brakes. It will pay you to visit us soon.

Soil Conservation District News

Supervisors: Edwin Fischer, A. W. Butts, Paul C. Graves, Clarence L. Stock and Hal Hartrick.

Several farmers in the Central Texas Soil Conservation District are now constructing ponds for livestock water. The Milam County ASC provide financial assistance of eight cents per cubic yard on as much as 4000 cubic yards per pond.

The size of pond that will be approved by the ASC committee depends upon the actual needs of the farmer and the site on which the pond is located. In most cases, 4000 cubic yards will provide several acre feet of storage capacity. This number of cubic yards is in the dirt that is put into the dam, not necessarily the size of the hole.

For the farmer to qualify for financial assistance on the construction of ponds, the pond must be located in a pasture of perennial grasses and the primary purpose must be for livestock water. The number of acres in the watershed may vary from ten to fifty.

Ponds are an important phase of

a complete conservation program; in as much they encourage better distribution of grazing. There are farmers who can not make good use of their pastures because of the lack of livestock water.

Joe Robinson, of the Hanover community, recently constructed a pond on his farm. On the site that Mr. Robinson chose, a 2500 cubic yard dam made a very nice pond. The dam was built across a narrow gully. In addition to providing livestock water, this dam will stop further erosion on the gully.

William Love, of Elm Ridge Community, is planning to build a 4000 cu. yd. pond in a pasture that was sodded to bermuda grass last year. Mr. Love plans to use a system of cross fences to allow cattle from four fields to make use of the pond.

Farmers who have need for additional livestock water should contact the county ASC Committee or the local SCS personnel.

Annual Report of Central Texas Soil Conservation District

The board of supervisors held 12 regular business meetings during the year and 6 called meetings, with an average attendance of 4.5 members. Meeting with the board were 158 cooperators and visitors. These meetings were for the purpose of conducting the regular business of the district and the consideration of special problems and events during the past year.

Special meetings were held for the preparation of the annual report and for the formulation and adoption of the annual plan. This meeting was one of the highlights of the year, as representatives from the various agencies assisting the district, district custodians, and cooperators met with the board and prepared and adopted the annual plan that has almost been completed during the year. There was a total attendance of 44 at this meeting. A special meeting was held jointly with the McLennan County Soil Conservation District at Lorena for the purpose of

assisting in organizing the Cow Bayou Watershed Association. At another special meeting, the local members of the legislature and Congressman Bob poage were invited to a luncheon that they might become better acquainted and have a general discussion on conservation problems, possible legislation, etc.

At the invitation of the Board of Control, the board attended an instructional meeting in Austin concerning the purchase of equipment and supplies.

Board member Edwin Fischer offered a prize for the scout selling the most subscriptions.

The Kiwanis club sponsored a luncheon and T V program in cooperation with the district recognizing the outstanding conservation farmers. Seventy-five dollars was awarded in prizes. The Temple National Bank contributed \$105.00 to the district that was used in payment of the districts national association dues.

Nine Vocational Agriculture teachers entered teams in the grass judging contest sponsored by the district. Temple Kiwanis Club awarded the winning teams banners and medals to the boys with the highest scores. They also sponsored conservation booths at the fair. They helped push the cover crop planning program sponsored by the district. The ASC assistance to farmers added materially to the established without this assistance. The Farmers Home Administration plan.

The Soil Conservation Service has furnished technical assistance to all district cooperators in planning and applying conservation programs. The service has furnished technical assistance in the grass judging contest, cover crop promoting campaign, district news column and collecting conservation benefit information. Statistical summaries from records in the work unit headquarters were made available to the district.

Conservation practices applied on cooperators farms in the district last year were, cover crops on 24,371 acres of cropland and pasture for the first time, increasing the average of cover crops on the land in the district.

Stubble mulching was practiced on 22,320 acres last year increasing the acreage receiving stubble mulching benefits to 93,606 on the land. Contour farming was laid out on 7,288 acres of cropland, bringing the total acreage of land being contour farmed in the district to 39,793 his year. Proper use practices were established on 17,441 acres of pasture. A base grass was sodded or seeded on 2,336 acres of land being established to permanent pastures in the district making 24,201 of pasture seeded. Rotating hay and pasture was practiced on 3,706 acres of cropland. Mechanical conservation practices established on 3,708 acres of cropland. Mechanical conservation practices established in the district amounted to the construction of 273 miles of terraces, 197 farm ponds, 16 miles of diversion terraces, 35 waterways and 58 fish ponds stocked and improved.

The district assisted 341 new applications and conservation plans consisting of 57,985 acres of land. Conservation practices were applied on 2,163 conservation plans of land owners cooperating with the district in 1954 as planned in their conservation program. One hundred

were assisted on conservation work. Irrigation activities were stepped up in the district this year. Six sprinkler irrigation systems covering 225 acres was put into operation. Fifty acres of land was leveled and border irrigated. Improved water application was developed on 60 acres.

The district has 65 pieces of equipment in operation managed by 29 custodians. Custodians have made very good use of the equipment in servicing and increasing the amount of conservation practices on the land. They have returned to the district \$11,661.35 in rental collections on the \$36,433.88 worth of equipment owned. The audit report shows that the rental income for this fiscal year supported the district program, including depreciation on equipment, and other non-revenue activities such as auditing premium on honesty bonds, news letters, etc., with a deficit of only \$57.04.

The board was represented by one or more members at 54 meetings relating to soil and water conservation. Ten of these were informational meetings held in various sections of the district having a total attendance of 239. The board was represented at the meeting of the Bell County Agricultural Stabilization Committee when the 1955 Agricultural Stabilization Committee conservation practices were adopted.

The board made six tours during the year. The first tour was made to the Clinton Harbers farm at West Point, Texas. This tour was co-sponsored by the Temple Farm and Ranch Club. Forty-four interested persons made the trip. The First National Bank of Rosebud also sponsored tours to West Point and is promoting an extension program patterned after the Harbers plan in the Rosebud area.

A special trip was made to Fort Worth to attend a zone meeting, at which time the new federal law relating to upstream flood control was discussed and explained.

The board sponsored a demonstration of the Graham-Horne conservation plow and seeder on the Oscar Grossman farm which was attended by approximately 65 people who were very interested in this new type of plow.

A special tour was made by the board to make selection for the Kiwanis Club awards and for entry in the Fort Worth Press "Outstanding Conservation Farmer" award program.

The board approved and supported the working agreement between the McLennan County and Central Texas Soil Conservation District and the Cow Bayou Watershed Association.

There was an attendance of 175 This meeting and the Grossman farm demonstration caused much interest in the "Harbers Method" of farming and resulted in the board of supervisors purchasing two conservation special plows and seeders for use in the district. There has been about 100 pieces of equipment of this nature sold to individuals in the district for their own private use.

Bankers Roy Levey of Chilton, Raymond Brod and Vernon Nicholson of Rosebud selected Edwin F. Fischer as the outstanding supervisor for 1954. The selection was in cooperation with the Dallas bank and Trust Company Awards Program. The board also participated in the Fort Worth Press Awards Program and the Goodyear Rubber Contest.

Scout troop 83 at Cameron has included soil and water conservation in their educational program, and water conservation nature are part of the troops practices. The Cub Scouts sold 30 subscriptions to red and seven other landowners the Soil and Water Magazine. halter in a reasonable length of time, he'll be directed by the referee to let go.

Prizes are purchase certificates for livestock ranging from the top award of \$50 down to the sixth through tenth prizes of \$15.

These certificates must be used in the purchase of livestock to be used as their 4-H or FFA project, and title to the livestock passes to the boy after he has demonstrated his interest in caring for it and his ability to follow competent instructions in raising it.

The stock show will continue through Feb. 27.

Fat Stock Shows Shown On Humble TV Show Monday

This is the time of the year that fat stock shows are held in Texas. And next week The Humble Company's Texas in Review will feature a round-up of highlights from the Houston, Ft. Worth and San Antonio shows. Highlights filmed include a rodeo, judging of livestock and parades.

Other features on the program include Boy Scouts reporting on their 1954 activities to Gov. Shivers in Austin; a statewide hair dressing contest held during National Beauty Salon Week; the first statue of George Washington erected in Texas; and the finals of a beef recine contest held by the Texas Beef Council.

Monday/February 28 Texas in Review can be seen on KTRK-TV, Houston, 7:00 p. m.; KRLL-TV, Dallas, 7:30 p. m.; and WOAI-TV, San Antonio, 10:15 p. m.

On Tuesday (March 1) the program appears on KTBC-TV, Austin, 8:30 p. m. and KCEN-TV, Temple, 8:30 p. m.

Farm Waterways Have Priority Now Until Spring

The Soil Conservation Service technicians are giving highest priority to the establishment of farm waterways from now until spring. Our Milam county A. C. P. is again offering cost share assistance on seed bed preparation, seeding of K. R. bluestem or sodding Bermuda grass and needed fertilizer plus a new feature which is cost share assistance on shaping a waterway. The total assistance is about one-half the total cost.

Some cooperators who have already started working on their waterways are Gordon Baskin, Steve Polzer, Robert Tittsworth, W. H. Kornegay, V. L. Angell, George Dodd and others throughout the county. Soil Conservation Service technicians are arranging schedules to design and stake out other waterways as the applications come in.

Since our recent good rains, conditions for waterway establishment are the most favorable since 1950.

District supervisors feel that this will be the year to get that waterway established and ready for terrace water at a later date.

East Texas C of C Endorses The Trinity River Bill

By an overwhelming vote of 61 to 8, the members of the Board of Directors of the East Texas Chamber of Commerce in a mail referendum, endorsed the Trinity River Authority Bill now pending before the Texas Legislature, according to an announcement by K. A. Anderson, President.

The Board of Directors, made up of leading businessmen over an area which includes 72 counties in East Texas had the advice of Carr Forrest of Forrest and Cotton, Dallas, Chairman of the chamber's Water Conservation Committee, and other members of the committee.

Members of the Texas Legislature were mailed a special bulletin setting forth the results of this referendum in order that they may be advised of the feeling throughout this area concerning this proposed legislation, according to Hubert M. Harrison, General Manager of the chamber.

Beef Briefs

Plentiful feed supplies will be available for livestock during the coming season.

Although the Southwest has been suffering from drought conditions for several years, grain and proteins in big quantities will be on hand for feeding all types of livestock.

The U. S. Department of Agriculture reports that the supply available per animal unit is at a near record.

T. E. L. Class Meets With Mrs. Powell

The T. E. L. Class of the First Baptist Church met in the home of Mrs. Powell of Cameron Wednesday

afternoon for their regular meeting.

President Mrs. I. N. West officiated during the business meeting. Mrs. W. M. Fanning brought the devotional for the day.

After the business meeting and prayer a social hour was held. Two games were led by Mrs. West and then the 12 ladies present prepared Christmas cards to send for use of the missionaries over-seas.

The hostess served angel food cake with whipped cream and cherries.

Mrs. Roxie Williams dismissed the group with a closing prayer.

They will hold their next meeting March 9 at the home of Mrs. Roxie Williams.

Sweetheart Banquet At Baptist Church Elects Royalty

Miss Bobbye Edmonds, daughter of Mr. and Mrs. Ben Edmonds, was named Queen of the Training Union sponsored Sweetheart Banquet at First Baptist Church last Monday night. This is the second consecutive year for her to represent the Training Union as their Queen.

Turner Newton, son of Dr. and Mrs. W. R. Newton, was chosen King.

A beautiful Valentine's bouquet was presented to the Queen by the pastor, Aubrey F. Russell, and a

box of candy to the King.

A Prince and Princess from the Intermediate, Senior, and Young People's Department were also recognized and presented a gift.

Mary Sue Shumate and Bernay Dusek represented the Intermediate; Barbara Jo Young and Don Howard were chosen from the Seniors; and Wilma Baldrige and Buddy Thompson represented the Young People.

The following young people appeared on the program during the evening: Tom Collins, Master of Ceremonies; Anita Dusek, pianist; and singers—Barbara Young, Don Howard, Yvonne Storey, Jeff Burkes, Jimmy Rae Colburn, John Carroll Russell, Joyce Wallace, Clifford Angell and Wilma Baldrige.

Rev. John Solomon, pastor of First Presbyterian Church, was the guest speaker.

Sharp Wins Over Rockdale In Cage Game

Sharp won over Rockdale Thursday night at Sharp in both boys and girls basketball games. The boys score was 61-51; the girls, 64-48.

High point man was Terry Shelton; high point girl was Peggy Lawrence. Both made 23 points.

Robert Key of Rockdale was a visitor in Cameron Tuesday.

RESOLUTION
AND
ORDER OF ELECTION

WHEREAS, the Ordinances and Laws of the City of Cameron and State of Texas require the holding of a regular annual election of officers of the City of Cameron, Texas for the two years beginning with the first Tuesday of April, A. D. 1955:

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, THAT:

1. An annual election shall be held in the said City of Cameron on the 5th day of April, 1955, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit:

THREE ALDERMEN of the City of Cameron (to succeed Aldermen J. C. Andres, Gene F. Blake and Robert Weems, whose terms of office expire on the first Tuesday of the month of April, 1955) to hold office for the two year term ending on first Tuesday in April, 1957; and it is hereby so ordered.

2. Said election shall be held at the City Hall in the City of Cameron on the said 5th day of April, 1955, and the following named and designated electors of the City of Cameron, are hereby appointed managers of said election (and of all other elections which may be held in said City of Cameron during the year 1955), to-wit:

B. J. Matocha, Presiding Judge, Geo. G. McGehee, Judge, Mrs. John Ryan, Clerk,

Mrs. R. W. Bennett, Clerk, and such other judges and clerks as may be appointed by said presiding judge to assist in holding said election, in accordance with the laws and ordinances governing in such cases. The manner of holding said election shall be governed by the relevant statutes of the State of Texas and ordinances of the City of Cameron, governing elections.

AN ORDINANCE

ORDERING AN ELECTION TO BE HELD IN THE CITY OF CAMERON, TEXAS, TO DETERMINE THE QUESTION: SHALL A COMMISSION BE CHOSEN TO FRAME A NEW CHARTER?; AND, IF A MAJORITY OF THE VOTERS AT SAID ELECTION SHALL HAVE VOTED IN THE AFFIRMATIVE, PROVIDING FOR A CHARTER COMMISSION TO PREPARE A NEW CHARTER, AND FOR A SECOND ELECTION TO DETERMINE WHETHER THE CHARTER SO DRAWN SHALL BE ADOPTED.

WHEREAS, at a regular meeting of the City Council of the City of Cameron, Texas held on October

A copy of this Resolution and Order of Election, signed by the Mayor of the City of Cameron, shall serve as a proper notice of said election; and the Mayor is hereby directed to cause notice of said election to be posted at the door of the City Hall of Cameron, a public place in the City of Cameron, and to be printed in the official newspaper of said City, for at least thirty days prior to the date of said election.

OFFERED BY ALDERMAN

Ray Griffith
PASSED BY UNANIMOUS VOTE of all Aldermen at a called meeting of the City Council of the City of Cameron on Wednesday, the 16th day of February, 1955, the same being the third Wednesday in said month; AND APPROVED on the 16th day of February, 1955 by

O. B. Horstmann
Mayor, City of Cameron, Texas.

ATTEST:
Neomi Needham
City Secretary, City of Cameron, Texas.

46-47c.

5th, 1954, on motion by Alderman Milton J. Schiller, seconded by Alderman Gene F. Blake, it was resolved by unanimous vote of the City Council, acting under authority of Article 1165, Civil Statutes of Texas, that an ordinance be prepared by City Attorney, Roy Basikin, submitting to the qualified voters of the City of Cameron the question "Shall a Commission be chosen to frame a new Charter?"; NOW THEREFORE:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

1. That an election be held on the 5th day of April, 1955 within said City submitting to the qualified voters of the City of Cameron the question "Shall a Commission be chosen to frame a new Charter?"; and, should a majority of said voters voting on said question have voted in the affirmative, that a Charter Commission of fifteen members be elected from the City at large. Said election shall be held at the City Hall, and B. J. Matocha is hereby appointed Presiding Judge of said election, and Geo. G. McGehee Judge, and Mrs. John Ryan and Mrs. R. W. Bennett, Clerks, and said Presiding Judge shall select such other Clerks as may be necessary to assist in holding said election.

2. That said election shall be held under the provisions of the Constitution and laws of the State of Texas, governing General Elections, and all persons qualified to vote in said City under the laws of this State regulating general elections shall be allowed to vote. The manner of holding said election shall be governed by said laws of the State of Texas governing General Elections.

3. That the form of ballot to be used in said election shall be substantially as follows:

"SHALL A COMMISSION BE CHOSEN TO FRAME A NEW CHARTER?"

ANSWER YES NO
FOR the following named persons of the City of Cameron to constitute a Charter Commission. (Vote for not more than FIFTEEN.)

1. Narvie Caperton
2. W. T. Hanes
3. John Henderson
4. Don Humble
5. W. E. Kuehl
6. August G. Kunz
7. Walter Lester
8. E. A. Perrin
9. Jack Prescott
10. John Schmidt
11. David Shapiro
12. Ada Margaret Smith
13. John A. Smith, Jr.
14. Henry Siebman
15. E. L. Wied

4. Those desiring to vote for the proposition, "Shall a Commission be chosen to frame a new Charter?", shall strike out the word "NO"; and those desiring to vote against said proposition shall strike out the word "YES".

IN EITHER EVENT the voter shall then vote for a Charter Commission of not more than FIFTEEN members, to serve in case a majority of the voters voting at this election have voted in the af-

firmative. The above named have been selected by the City Council as a Charter Commission, and should the voter desire to vote against any or all of said above named persons, he may do so by scratching the name of such person, or persons, and writing on the line opposite such scratched name, the name of the person for whom he wishes to vote: PROVIDED that a failure to so name a Charter Commission shall not invalidate the voter's vote on the question, "Shall a Commission be chosen to frame a new Charter?";

5. That should a majority of the qualified voters voting at said election vote in the affirmative as to the question, "Shall a Commission be chosen to frame a new Charter?", then, after the Commission has completed its work and submitted the new Charter, a second election shall be held at the time designated by said Charter Commission, in conformity with law, to determine whether the new Charter shall be adopted.

6. That a copy of this ordinance signed by the Mayor of the City of Cameron, and attested by the City Secretary, shall serve as a proper notice of the election to be held as herein ordered, on the 5th day of April, 1955. The Mayor is authorized and directed to cause notice of said election to be posted at the City Hall, and at two other public places, in the said City of Cameron, for at least thirty (30) full days prior to the date of election; and he is further authorized and directed to have said Notice of Election published in some newspaper of general circulation published in said City, which said notice shall be published each week for four weeks, the date of the first publication to be not less than thirty (30) full days prior to the date of the election.

7. The fact that the present charter of the City of Cameron is deemed by a considerable number of the citizens thereof, inadequate to meet the present governmental demands of the City, and the importance of the inauguration of changes in the basic laws and management of the City, constitute an imperative public necessity for the suspension of the rules requir-

COUNCIL STORY —

act for the full council no definite arrangements were made.

He advised that a letter, containing the requests of the county, had been mailed Mayor O. B. Horstmann.

Mayor Horstmann stated that the letter received from Judge Smith had to be taken under advisement by the entire council before the contents could be made public.

ing ordinances to be read at three different meetings; and the taking effect immediately of this ordinance; and such rules are hereby suspended, and it is ordained that this ordinance shall take effect immediately after its passage and approval by the Mayor.

OFFERED BY:

Alderman Gene F. Blake
PASSED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, by a vote of 5 Ayes and No Noses, at a called meeting held on the 16th day of February, A. D. 1955, and APPROVED on the same day.

MILANO NEWS

Mrs. Dan Robinson

Another one of Milano's old landmarks is being torn down. It has been here over 70 years and was known as the Jim Beard building which was the property of the American Legion. It has been sold to a firm in Houston.

Rev. W. M. Fox was in Gause Sunday where he acted as moderator when Allen Lester was ordained as a minister. He was accompanied by his Deacons, Johnny Haddox, Ray Corbin, Henry Authis, T. C. Walker, Rice Dennis and Charlie Williams.

The ladies of the Milano Baptist church honored their pastor's wife Mrs. W. M. Fox with a surprise birthday coffee in the Sloan Cafe Monday morning. About 15 ladies attended.

Mr. and Mrs. Lewis Haddox were recent visitors in Thorndale.

Mr. and Mrs. Leland Tindall of Greenville were visiting Sunday in the home of her parents Mr. and Mrs. R. L. Mills and family.

Mr. and Mrs. W. M. Fox went to Ft. Worth Friday on business. Mrs. J. D. Peebles and Mrs. Jack Wilkinson were visiting in Rockdale Friday.

Hearne spent Sunday here in the Mr. and Mrs. Charlie Vinton of noon they looked at Alcoa. Sunday at Lexington in the home of Mr. and Mrs. Nick Brennan to see their new baby, Pat.

Mr. and Mrs. John Myrick have returned home from a pleasant visit with relatives and friends at Sinton and Odem.

Mrs. Harry Wetzel of Freeport and Mrs. Emma Weems of Cameron were guest of Mrs. Dan Robinson Thursday.

Mrs. Bell Limes has returned home from Rockdale where she

New C of C Officers Named By
Nominating Committee Friday

New officers for the local Chamber of Commerce were recommended by the Nominating Committee at the Board of Directors special meeting in the Milam Coffee Shop Friday, February 18 at noon.

Bill Burns was recommended as president; Drayton McLane as

first vice-president; Dana Kestenbaum as second vice-president; and Mrs. Barbara Smitherman as that the report of the committee secretary-manager.

W. T. Hanes made the motion be accepted and Charles Brady seconded the motion which passed unanimously.

Jack Prescott, representing the Arrangements Committee, reported that plans for the banquet slated on Tuesday, March 8 at 7:30 p. m. in Simon-George Memorial Hall had been completed. Lester Williams will act as master of ceremonies and Fred Pool, assistant general manager of the East Texas Chamber of Commerce will be guest speaker.

The board members voted to pass a resolution opposing the bill

before the Senate and the House of Representatives now which would give the Railroad Commission the authority to fix a price on natural gas.

Lester Williams made a motion that every director write a letter to the Senator and representative from this district to bring the bill to their attention and that the C of C pass a resolution to oppose the bill. The motion was seconded and passed unanimously.

C. A. Jackett stated that Alcoa's new expansion program which will include two new potlines, will benefit Cameron and this area greatly. Burke commented that Texas will be the largest aluminum producing state.

Mrs. Joe Anderson has returned home from St. Edwards Hospital where she underwent surgery, and is reported to be improving rapidly.
